

3 Sloths like trees. They can climb trees, but they are very slow. Sloths can swim, too. They have big arms. Sloths can sleep for 20 hours in one day!

4 Crocodiles have big mouths with many teeth. They open their mouths when they're hot. Then they can be cool. Can crocodiles run? Yes, they can. They can swim, too. They swim with their tails. Some crocodiles can swim under the water for two hours!

Animals are amazing!
